

PAVERS FOR DENNISON

Dennison Community Support Fund (DCSF) is embarking on a major project to celebrate our students' experience at Dennison and to raise money to replace the reading textbooks. DCSF will place high quality concrete pavers (bricks) outside the front of the school near the benches to create an attractive entrance and gathering space. Families, staff, clubs, and organizations have the opportunity to purchase pavers that can be individually engraved with a personalized message. The number of pavers is limited, so act now to reserve your paver. We will continue to accept order forms until May 15, 2010, or until each category of pavers sell out. We anticipate having the pavers installed by the beginning of next school year.

Please indicate what size and how many pavers you would like. You will receive a packet via email containing details on engraving your pavers. You'll need to include a check for at least half of your total when you return this order form.

Support our school! Create a legacy that will be enjoyed for years to come!
